HOW THE SMALL STEPS GREW OVER TIME

Over the next 10 years, Ravi continued his SIP **without skipping a single month**, even during market ups and downs.

As his income grew, he added a **8% step-up each year,** turning consistency into real progress.

WHAT RAVI LEARNED

Ravi's Diwali decision wasn't about timing the market — it was about **starting small and staying consistent.**

He didn't wait for the "perfect moment." He simply used the festival's spirit of **new beginnings** to ignite a habit.
